

# Research Medical Center Welcomes Orthopedic Surgeons Dr. Brian Kindred and Dr. Dan Schaper

Research Orthopedics and Sports Medicine is a surgical orthopedic practice that focuses on treating a full range of orthopedic and sports injury conditions.

We are pleased to welcome board-certified orthopedic surgeons, Dr. Brian Kindred and Dr. Dan Schaper, to our team of physicians. They specialize in total joint replacement, as well as more complex revision, joint and ligament repair.

Our team is committed to excellence and use a patient-centric care model that results in:

- Lower infection rates - an average of 1% (compared to the national average of 2-4%)
- Lower re-admission rates
- Shorter hospital stays
- Quicker rehabilitation and recovery
